## “Embracing the Divine Presence”

On January 3rd through February 3rd, we will be hosting our 5th annual “Healing the Land Summit and Prayer Conference”. The theme of the conference will be “Embracing the Divine Presence”. In our last conference held in January, the emphasis was primarily on obedience to 2Chron. 7:14., as a prerequisite to inviting the presence of God to dwell in transforming revival power and God healing our land. The scripture states *“if my people will humble themselves and pray, and search for me, and turn from their wicked ways, I will hear them from heaven and forgive their sins and heal their land.* During the conference there were

## Restructuring for the Fulfillment of the Vision

Prayer 2000 has recently undergone a restructuring process designed to adequately fulfill the vision, core function and mission of the ministry. Its vision is to become a conduit through which activities designed to reconcile, reform, transform and restore our nation to God by prayer are channeled. Some of the activities and initiatives include:

**Jamaica School of Prayer:** this is designed to train, develop and release prayer warriors into nations with the aim of promoting transformation and revival. It includes training and participation in spiritual mapping, prayer walking, community profiles and spiritual warfare.

**Social Outreach:** Prayer 2000 recognizes the importance of the relationship between prayer and good works and is committed to ministering in practical ways throughout our local communities and the nations. The Lord will not hear our prayers if we are not concerned with the poor and oppressed

**Modern Prayer Movement:** this is a primary mandate of Prayer 2000 as it seeks to develop a move-
